Re: Non-invasive Blood Glucose Monitoring System
Application No.- Registration No. 10/646,881
Larry W. Ishler
4258 West 28th Street
Erie, PA 16506

Dear Mr. Nasser:

Enclosed please find Check No. 1042 from Larry W. Ishler payable to the United States Department of Commerce, Patent and Trademark Office for the issue fee and publication fee for Mr. Ishler's patent, the Non-invasive Blood Glucose Monitoring System, Registration No. 10/646,881.

Would you kindly note that all notices should be sent directly to Larry W. Ishler, 4258 West 28th Street, Erie, PA 16506. We enclose the Revocation of the Power of Attorney given to Kenneth W. Wargo, Mr. Ishler's former patent attorney. Attorney Wargo has now taken a position in a private enterprise company and is no longer affiliated with his prior law firm, the Quinn Firm. This writer is simply Mr. Ishler's personal attorney.

We enclose for your file also the Part B - Fee Transmittal form executed by Mr. Ishler.

We also enclose for your review page 3 of the Notice of Allowability form, and as Mr. Ishler discussed with you over the phone, there is a small change to be made on page 3 where the words "do not" have to be inserted, and we enclose a copy of page 3 for your information and reference to make the minor change.

Commissioner for Patents

If you need anything further would you kindly correspond directly with Mr. Ishler. Thank you.

Very truly yours,

McCLURE & MILLER LLP

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

Khalil et al 2003/0023151 (paragraph 0016), Wong et al (column 3, lines 34-62) and Galen et al 2004/0265941 all discuss making fasting glucose and glycolated hemoglobin measurements, but ^{do not} determine the square root of the product and use this value as a base line to be adjusted by ear temperature differences, as recited in the claims.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Robert L. Nasser whose telephone number is (571) 272-4731. The examiner can normally be reached on Mon-Fri, variable hours.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Max Hindenburg can be reached on (571) 272-4726. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
